

KS Bluestem Cimarron B

(CB), is a 2009 American Morgan Horse gelding owned by Julie Dennis. He was originally purchased as a long yearling to be Julie's trail and gymkhana horse, but he had other plans!

During his breaking and training as a three year old, CB was taught to drive, was patterned on barrels and poles and taught all around basics to make him a partner for his mom. However, during normal training, he was acting fearful of jumps set up in the arena. Not one to allow fear, Lauren began working him over jumps and he showed immense talent and desire for this change of pace. He decided that he was not to be a carriage horse, (doesn't like OTHER carts), and he wanted to fly!

CB began his jumping career in 2015 where he finished the year as the KHJA Jumper Champion in both his 2'6" divisions. He was also the AMHA Open Competition Hunter/Jumper Champion.

We branched into eventing where we found his true love. CB is a lovely mover (although lazy at times) and has shown immense progress in his dressage. He lives for cross country and is a very careful and athletic jumper.

His biggest issue currently is he is almost TOO careful and is apprehensive about new looking jumps. We have been slowly working on trust and confidence, going at the pace he needs to build him up. He has schooled up to 3'6" courses and 4' singles, with plenty of ability to go higher.

CB finished the 2016 season as KHJA 3' Schooling Jumper Champion. He also was 3rd place for AMHA Open Competition Hunter/Jumper and Eventing. He was awarded 3rd place for USEF Region Horse of the Year. In 2017, with limited showing, CB was his USEF Region Horse of the Year Morgan Versatility Champion.

In 2018, CB continued his eventing career, and finished as the AMHA Open Competition Sanctioned Eventing Champion, Reserve Champion for Unsanctioned Eventing, and 3rd place for Hunter/Jumpers.

CB will continue his showing, focusing mainly on eventing with a few dressage and jumper shows for schooling purposes. We plan on attending one large Morgan show, to be determined, but with hopes for a sports division.
